RELEVANT EXPERIENCE

Stealth Startup (contract) | July 2025 - Present
Full-Stack Engineer.

- Resolved **~4–5 production bugs/week**, improving stability and reducing regressions through UI and integration fixes.
- Shipped **4+ core features** in a Next.js/React app, partnering with Rust backend engineers on API contracts and end-to-end data flow.
- Improved UX consistency and performance by standardizing component patterns and consolidating shared logic into reusable components.
- Reduced integration rework by aligning frontend architecture with backend schemas and routing/data models.

NoteLeap | June 2025 - Present
Full-Stack Engineer (Independent SaaS MVP).

- Building a Next.js + TypeScript app with Prisma/PostgreSQL (auth, sessions, core data model) and a Java/Spring Boot LanguageTool service for grammar/spell check.
- Implemented Stripe subscriptions (tiers + billing flows); **demo available on request; targeting 2026 launch.**

CommuniTee Golf Chat Extension Extern - [CommuniTee Golf](#) | April 2025 - June 2025
Developed a Chrome browser extension for real-time chat in CommuniTee Golf.

- Developed UI components in React utilizing TypeScript, Vite, and Tailwind CSS, integrating the **Chrome Extensions API**.
- Collaborated via Jira tickets, feature branches, and pull requests, resolving merge conflicts and debugging issues alongside teammates.
- Conducted peer code reviews on GitHub to maintain code quality, share feedback, and uphold best practices.
- Built and documented components in **Storybook JS** using mock data and wiring in backend endpoints when they become available.
- Translated Figma designs into polished, **responsive UIs** with smooth interactions and **accessibility best practices**.
- Presented product **demos** to clients, communicating technical features in non-technical terms to clearly demonstrate functionality, usage, and user experience.

STL Rock School | November 2018 - June 2025
Music Teacher - Sound Engineer/Producer - (Software Engineer between January - June 2025).

- **Fixed** and **debugged frontend issues** on the school's **WordPress** website, improving **styling**, user **engagement**, and **website performance**.
 - Taught and mentored 35+ students, adapting lessons to diverse learning styles and skill levels to foster engagement and growth.
 - Led group rehearsals and live performances, coaching students in collaboration, teamwork, and confidence under pressure.
 - Communicated regularly with parents and clients, providing feedback, addressing concerns, and ensuring student progress.
-

EDUCATION

TripleTen Full-Stack Certification - November 2024 - **10-month full-stack apprenticeship**, mastering **JavaScript, React, Node.js, Express**, and **MongoDB**
